Martijn	the imacs also the iMacs	the opening party ith my colleague Yvin and the excelent drinks	
Panos	Barber Chair	Big Cake	Meeting with people who worked there	
Nora	The barbers chair in the window	sorry, nothing sticks here - I clearly remember the barbers chair, the moustache in the window and the large table Lilly and I sat on, which I really liked to be there.	It didn't feel intimidating to walk in to	Overall I thought the space looked nice, although I didn't really think I could buy things there before stepping in (not sure why) I liked the atmosphere of the space.
Leanie	A brown hat from the English hatter, it was 50 euro, I still want it.	The brown hat.	I had a cupcake with Lilly just before I had a migraine attack.	
Julie	The white metal Neef Louis cabinets, loved them!!	Liked the moustache hanging mobile a lot.	I really loved the hand-made drawings you guys did of the mirrors, cupcakes and moustaches, especially on the postcards!	
Stef	The two white vitrines, Barber chair	All cardboard.	Having a new haircut. The ,snormuts'!	
Cleo	The vitrines	,de gebreide gezichtsmutsen' I love them, I wish I could afford one.	Making stuff and develop my own art is a special memory, thanks!
